

# Texas Hill Country Throwdown

April 11, 2009 | Boerne, Texas

Come out and play the Texas Hill Country Throwdown in Boerne Texas. This will be the first ever sanctioned tourney at the newest John Houck designed course. Although this course is only 9 holes it is a beauty with (3) legitimate par 4s, (4) difficult par 3s, and (2) birdieable par 3s. (3) additional temporary holes will be installed. These will not be your traditional "temp" holes but rather legitimate holes with the lake coming into play.

This is a San Antonio Disc Club event. We'll also be conducting some fun games such as the ring of fire, a long distance driving competition by division, and the Jerry Chesterson putting challenge!
